Sub

This application claims the benefit, under 35 U.S.C. §119, of U.S. Provisional Patent Application No. 60/330,119 filed October 16, 2002, which provisional application is incorporated herein by reference in its entirety.

REMARKS

This claim to priority is timely today and is already present in the declaration filed by the inventor, also named as an inventor in the priority application, in this application. Therefore, it serves to formalize a claim made previously to conform to the statute.

No additional fee is believed due for this submission. However, if any additional fee is required, please charge the required fee to Pennie & Edmonds LLP's Deposit Account No. 16-1150.

Respectfully submitted,
